**Hunua Ararimu Paparimu Valley Residents Association gets going with resilience planning**

Let's do this! Hunua Ararimu Paparimu Valley Residents Association (HAPVRA) members are off at a cracking pace in their quest to make their rural communities safer.

A new emergency response sub-committee was formed following Cyclone Gabrielle in February and their first act was to survey residents on how they were impacted by the record-breaking storm event. More than 100 households responded, with 93 per cent saying they were affected in some way. Four per cent of respondents said they suffered damage to their houses, and more than half experienced lost power or fallen trees on their property. Around 47 per cent of residents had blocked roads or driveways.

HAPVRA co-chair Jane Berney said the results were a useful tool in assessing where the greatest needs lay: "Flooding, slips, fallen trees, power black outs and a loss in communications were the biggest concerns. So far, we've sent the survey to Auckland Council's Healthy Waters team to support action to reduce flooding in the Wairoa River and we've drawn up a hit-list of potentially hazardous roadside trees, which we've sent to

Counties Energy for action. We also want flood warning signs, to reduce the number of motorists who become stranded after accidentally driving into deep floodwater, especially at night."

The survey showed that most (67 per cent) did not know the location of their nearest evacuation centre, which in most cases is the local community hall. HAPVRA co-chair Geraldine Schnauer said there were plans to develop a Facebook repository of information for residents, so they knew where to get help if needed: "Some rural halls are getting more proactive and thinking about how to better equip themselves to look after evacuees. We are exploring possible grants and other funding options for things like extra crockery, camp beds, Starlink satellite communications and generators.

"HAPVRA is taking a collaborative approach and has formed close relationships with Friends of Te Wairoa, which share similar values of wanting to improve the health of the awa, as well as Camp Adair, Hunua Fire Brigade, school principals and Franklin Local Board."

Bookings are strong for HAPVRA's Christmas Market Day (25 November) at Hunua Village Green. It's the sixth year the event has been held and each year it grows in size and popularity. Locally grown produce, giftware and refreshments

**Crack willows clogging Wairoa River, contributing to flooding, are one of the issues the new emergency response sub-committee for Hunua Ararimu Paparimu Valley Residents Association is tackling**

will be on offer and HAPVRA members will be available to talk about the association's resilience work. In past years, funds raised have gone towards providing first aid kits for local schools and the Hunua Triangle environmental planting project.

# A century of greens and dreams: Clevedon Bowling Club turns 100

Clevedon Bowling Club is planning celebrations to mark its 100th year anniversary this October.

Founded in 1923 by Colonel McKenzie, about 30 members originally signed up despite 28 of them having never played the game before. The club's membership history is a 'who's who' of pioneering settler family names including Bells, Ryburns, Hyde, Duder and Munro.

The original bowling green on Monument Road was a brown top grass surface, laid down by volunteers on a piece of ground leased from the Clevedon A&P Association. The green was hand-mown, and players competed with wooden bowls. The original turf lasted until 1986.

At the time of the club's inception, only four clubs existed in the Manukau region. Interclub games were popular, with players often travelling by horseback along unsealed roads to Howick, Tuakau and Waiuku to compete.

In its first 30 years only men were allowed to join the club. In the 1940s, a group of ladies sent a letter requesting membership. This was denied at first, but the seed was sown and a ladies club was eventually established in 1952, though it would be another 20 years before women were allowed to compete in mixed tournaments.

There has been other drama too - in the 1940s a player was disqualified in the Men's Singles tournament for

"ungentlemanly behaviour". In the 1950s the entire match committee resigned through dissent, but was later persuaded to carry on.

After significant fundraising efforts, about \$250,000 was raised for the installation of a new artificial turf in 2006.

In recent years membership at the club has gradually declined, with the club thrown a lifeline by the Clevedon Sports Club which has taken over the bowling club building's lease.

The Clevedon Sports Club has reinvigorated the clubrooms with a new covered deck out the back, and a new paint job freshening up the interior of the building which is available for community hire.

Thesedays the club only has a small membership, says past president John Kendall.

But hope for a surge in membership is on the horizon thanks to Clevedon's new Metlifecare retirement village which is currently under construction. The village plans to use the Clevedon Bowling Club venue for its residents, rather than building a bowling green on site at the retirement village.

"I would say there will be a revival," says John.

Friday night bowls has proved popular in summer months, with anyone able to turn up and have a go.

Plans for the club's centenary on 29

Clevedon Bowling Club celebrates its Silver Jubilee in 1948

Clevedon Women's Bowls 1982

October are well advanced, says John.

"We couldn't let it go without doing something to acknowledge the club's 100th birthday."

At 10am there will be a meet and greet with tea and biscuits, and memorabilia on display.

From 11am-1pm there will be a fun

bowls tournament pitting members of the Clevedon Sports Club against anyone else who wishes to play.

From 1-2pm lunch will be provided, followed by speeches and the unveiling of a plaque donated by NZ Bowls.

All are welcome to attend.

# Kickin' it with kin: brothers shine at taekwondo competitions

The future of fighting looks bright for Beachlands brothers Mason (17) and Makai (14) who both put in solid performances at the recent ITF Taekwondo World Championships in Finland.

Mason and Makai were selected for the New Zealand team, made up of 35 competitors including pre-junior, junior and senior divisions. After making their way across the world to Tampere, Finland in September, Mason and Makai competed alongside 1100 competitors from 63 countries at the world event.

Despite losing his first sparring round, Mason was able to refocus his efforts in the patterns division. The tough competition saw him draw twice in the quarter finals, before he lost his semi-final round, winning him the world bronze medal.

While Makai did not medal, he had an impressive sparring match, fighting back from 4/0 down to be winning at the end, only to lose on a warning in the last second. In the patterns division he won his first round and lost his second round.

Prior to the world champs, the brothers both competed at the Taekwondo National Tournament where they each won three gold medals - both winning their divisions in patterns and sparring, plus a gold in the team patterns event. Mason went on to win the Best Overall Junior Male Black Belt trophy.

Training for the world champs took a lot of commitment. In the seven months leading up to their departure Mason and Makai trained six days a week. They are fortunate to have their own do jang (training area) at home which allows them to train outside their normal club routines. Each month they attended high performance weekend training camps in Palmerston North, as well as weekly ones in Auckland, alongside online trainings and one-on-one coaching sessions.

The brothers belong to the Pohutukawa Coast's Ji Shin Taekwondo club, where Mason first became a member at the age of 8, followed a few years later by younger brother Makai. They both achieved their Black Belts by the time they were aged 13.

Mason and Makai say they owe a big "thank you" to Ji Shin Taekwondo club for its fantastic support leading up to the world champs, and also to the Pohutukawa Coast Helping Hand Trust for its donation of funds towards their travel costs to Finland.

**Right: Makai (left) and Mason Holroyd are pictured with the three gold medals they each won at the Taekwondo national tournament.**

# Student Voice

## LOCAL STUDENTS' NEWS, VIEWS & LITERARY TALENT

This column features news, views and literary talents of students from Beachlands, Maraetai, Clevedon, Brookby, Hunua, Papanimu, Orere and Ardmore Schools.

One student featured each week will be presented with a certificate and a \$20 book voucher, thanks to Barfoot & Thompson's Beachlands and Whitford branches.

### Orere School lunch Program

At school we have school lunches provided by the school. Our cook called Sam makes the yummiest lunch. My favourite lunch is pizza especially margarita. (Which is cheese pizza) Sometimes she uses the vegetable from the sensory garden for the lunches. We also have a sausage sizzle from time to time too.

What's your favourite Lunch?
