**BOX UP THE KIDS!**

Pulling your hair out because the kids really really want that swimming pool you've always promised one day they will have? Nowhere for your boat or trailer or campervan? Are you still craving for more garaging after tripping over the skateboards, scooters and mountain bikes for the one hundredth time? Hold the phones... don't panic... we may have the solution? Situated in a private no exit street (the cat will love you) is where you find your new postal address. Stacked with features to make life so much easier, as well as more fun, the kids and yourself will be able to enjoy the house just as much as the current family has enjoyed it up until now. No more tripping over the lego and playstation cables sprawled all over the floor, this house comes with 4 bedrooms upstairs and a 5th bedroom down next to the 3rd bathroom, ideal for granny or your favorite child to get first dibs on when you move in. Plus the bonus of brand new carpet. Video tour online.
