Teenage speedster claims Ministocks Rookie of the Year title

Carlos Chesnutt (above) is following in the tyre tracks of his father and grandfather, making a name for himself at Waikaraka Park Speedway.

13-year-old Beachlands local Carlos Chesnutt was named the 2023-2024 Ministock Rookie Of The Year Award at Auckland Ministock's recent prize giving.

Based at Waikaraka Park in Onehunga, Ministocks caters to youth aged between 12 to 16 years and is considered to be an introductory class allowing young drivers to learn the basic skills of motor racing. At age 16 they can decide to step up a class within speedway, or switch to another form of motor racing such as rallying.

It might only be Carlos' first season of racing at Speedway NZ, but racing is in his genes. Speedway has been a Chesnutt family passion for over 30 years, with Carlos' grandfather (Carlos Chesnutt Senior) and father (CJ Chesnutt) having raced stock cars before him. Carlos has been involved in his dad's speedway career since he was 3 years old.

Carlos' race car is based around a Toyota Corolla with a 1200cc engine and a 4 speed manual transmission. He

averages a speed of 80km per hour around the track. Ministocks must be made from one donor car, with a minimum weight of 630kg and a maximum weight of 730kg. All suspension and steering parts must be standard, and tyres must be standard road type.

He says there is much to love about racing. "There are so many things that I love about racing, it's hard to list them all. I love the thrill and adrenaline of racing around the track and having battles alongside my friends. I love travelling to different racetracks around NZ, one highlight being racing at Bay Park Speedway in Tauranga as it's such a nice track and really fast."

Ministocks is a non-contact class, but Carlos says there have been some spectacular crashes and rollovers during

the season. “Fortunately no big crashes for me yet!”

Carlos enjoys a solid support crew, including his parents, sister and grandparents. “Plus all my friends who always come to watch me and the Elementz crew who are always there to support, and my sponsors - Cargo Coordinators, Sign Studio, Prestige Diesel and Marine, Sutcliffe Matson Law, Papatoetoe Auto Electrical and Blastacars.”

Ministocks In Paradise (MIP) hosted by the Rotorua Speedway Club is the pinnacle event in the Ministocks class.

“I would love to podium at this event,” says Carlos. “When I graduate from Ministocks I would like to race Superstocks.”

Carlos’ mum Charne is understandably proud. “We are excited to see what he can achieve next season alongside his racing buddies from the Elementz Motorsportz team. Thank you to the local Elementreez kids who came to support him trackside at Waikaraka park speedway, and the community for getting behind him during the season,” says Charne.

AT seeks input on Land Transport Plan

The Regional Land Transport Plan (RLTP) is Auckland Transport's (AT) 10-year investment proposal for Auckland's transport network.

The RLTP represents the Auckland region's 'bid' for a share of national funding from fuel taxes and Road User Charges, and proposes a \$63 billion programme of investment in renewals, maintenance and operations, public transport services and new projects over the next 10 years.

However, the \$63 billion cost of this programme is a lot more than the funding Auckland is likely to receive, so AT must decide which projects should be prioritised for funding.

AT's list of 'must haves' include:

- Renewals and maintenance of local

roads, rail and state highway networks to ensure these remain fit for purpose into the future and whole of life costs and disruption are minimised

- Existing public transport services, along with improvements such as more rail services enabled by the City Rail Link and the expansion of the frequent bus network.
- Completing projects that AT is already committed to and are in progress (for example Eastern Busway).

With the bulk of funding being dedicated to the projects above, AT must decide which new capital projects should be a priority, especially over the next three years. The main options are:

- Smaller projects that can be delivered quickly, including dynamic bus lanes,

improved stations and low emissions options

- Larger rapid transit projects that will provide new high-speed public transport, but will cost more and take longer to deliver
- Smaller projects that can be delivered quickly, and encourage more sustainable travel from key growth areas
- Major state highway projects
- Cycling projects
- Investment in safety infrastructure to reduce deaths and serious injuries

Of these, the Draft RLTP proposes that public transport projects are generally the highest priority for funding.

AT is seeking public feedback on its draft RLTP for 2024-2034 before Monday 17 June. Feedback can be submitted online at: haveyoursay.at.govt.nz

Person dies in Whitford Maraetai Road crash

One person died at the scene and two others were taken to hospital with minor to moderate injuries following a crash on Whitford Maraetai Road around 6.30am on Monday 10 June. The road was closed for a number of hours while emergency responders worked at the scene. The Serious Crash Unit attended and enquiries into the circumstances of the crash are ongoing.

The crash occurred on a bend north of the Waikōpua hill passing lanes. A number of vehicles have crashed in the same area recently, particularly during wet weather.

The PC Times team extend heartfelt condolences to the families involved.

Local board restructure proposal "undercooked" says Baker

- by Laura Kvigstad, Auckland Council reporter. Funded by New Zealand on Air.

At Auckland Council's Governing Body meeting on May 30 councillors voted against consulting the public on a proposal to reduce the number of local boards from 21 to 15 in time for the 2025 local election.

The reduction would have seen several local boards combined with others, with population estimates for some proposed boards over 180,000.

Another model of representation council looked at consulting on was the Royal Commission model which would have seen

local boards reduced to 13 but this has not been widely supported at council.

Governance Services manager Rose Leonard said local board members were under-resourced and by reducing the number of local boards it could see boards become more effective.

For the two rural local boards, Franklin and Rodney, the proposal was to leave the two boards relatively the same to retain effective representation of rural communities.

Several councillors felt the time crunch placed on the process by council's representation review, a statutory review

where the proposal is due for public notification this September, caused the proposals to be shortsighted.

Franklin Ward Councillor Andy Baker said he wanted to start the whole process from a blank slate.

"I have been consistent the whole way through that I think we have undercooked this," Baker said.

He disagreed with going out to the public for consultation because he felt council had not had a meaningful look at representation.

Cr Josephine Bartley was on the verge of tears and called the proposal heartbreaking.

"You will not get diversity. You will not get the first Tongan chair of a local board. You will not get the first Pasifika woman on the Governing Body of Auckland Council which took until 2018 to make that happen," Bartley said.

She said what was proposed just looked like a loss of local voice and she called for more power to the local boards.

While 16 of the 21 councillors voted down consultation Mayor Wayne Brown said it was a shameful day for democracy.

On Friday we went to the Stardome. First we got to school, we put our lunch box, our bottle and our coat into two bags.

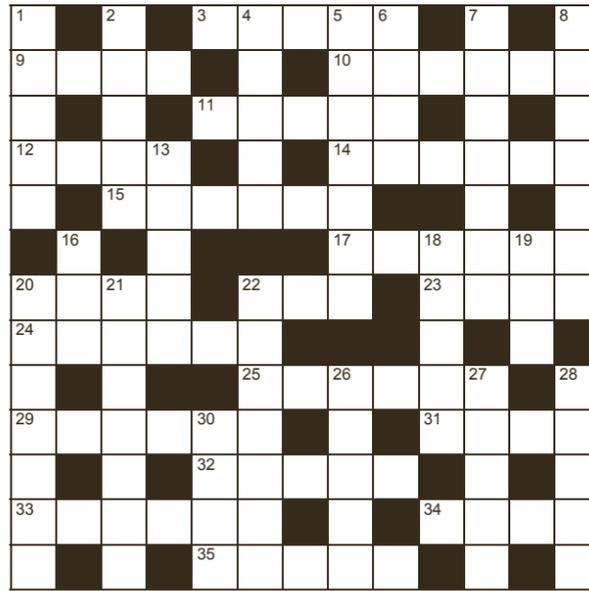

Next we got on the bus, it took 50 minutes to get there. Then we had morning tea and after that we played.

We had lunch and then we went inside. We learned about the Solar System, after that we tried to do a Quiz then we went into a dark room and watched a movie about space.

Lastly we went home.

Coastal Cat Rescue 'Cat of the Month'

Meet Tilly.

Tilly came into our care along with three mischievous siblings. She and her kitten family have lots of energy and like to break up their frolicking with hearty meals and naps. An offer of food or cuddles is always met with purrs. Tilly is fostered with a small friendly dog and is fazed by very little. Although not essential she would love to meet someone that could offer a home to both her, and her best friend and sister Poppy. Tilly and her siblings would be suitable for most situations including a family with gentle and supervised children.

Tilly has been desexed, microchipped (will be registered to new owner), has received her first vaccination, is vet checked, treated for fleas and worms and is eligible for six weeks pet insurance (subject to Terms and Conditions). An adoption donation applies to help us continue to rescue more cats and kittens in need and enable us to provide the very best of care while they are prepared for their forever homes. If you would like to know more about the kittens we currently have in care, please email bailliscourt@gmail.com or join Coastal Cat Rescue on Facebook and PM.

PUBLIC NOTICES

PINEHARBOURMARINA NOTICE OF LIEN ON VESSEL

This serves as formal notification that a lien has been imposed on the vessel listed below, presently situated at Pine Harbour Marina, 190 Jack Lachlan Drive, Pine Harbour, due to contractual breaches. owner(s) of the vessel listed, or individuals with knowledge of their ownership, are urged to promptly contact the Pine Harbour Marina Office.

Contact can be made via email at: dave@pineharbour.co.nz or by phone 09 536 4720.

Failure by the owner to communicate with the Marina and fulfil contractual obligations by June 28th, 2024, will result in the application of relevant provisions outlined in the Pine Harbour Marina Hardstand Services Agreement terms and conditions. In the event of removal, sale, or any other disposition of a vessel under these stipulations, the owner is obligated to reimburse Pine Harbour Marina for all incurred expenses. Should the owner claim the vessel before the sale or disposal, such expenses must be settled prior to the vessel's release to the owner.

LIEN IS HELD ON THE FOLLOWING VESSEL:
Trazarra 10.75m Vindex Launch
