

Clevedon canal development resurfaces

This landscaping plan from the Auckland Unitary Plan shows the potential layout of a canal development on North Road.

Plans to develop a possible canal-style subdivision on Clevedon's North Road are back on the table.

Highway Enterprises Ltd has lodged an application with Auckland Council to carry out earthworks in preparation for 'Seaforth Village', a housing development at 445-563 North Road.

Previous attempts to develop the land for canal-style housing have failed, but changes to land zoning when the Auckland Unitary Plan became operative in 2016 mean the latest application could be successful. The land is currently zoned as a special 'Clevedon Waterways Precinct', potentially allowing residential and canal housing, small business development and waterways, local berths and access to the Wairoa River via a lock and weir.

The proposed 122ha riverside site sits on three existing titles, each under different ownership. The owners have jointly applied for resource consent via Highway Enterprises Ltd, the company which has applied to Auckland Council to

undertake preparatory earthworks.

At this stage, Highway Enterprises has only applied for preliminary earthworks consent. The company proposes importing 600,000m³ of material to create platforms. Once this fill has settled, an additional 300,000m³ of fill will be uplifted and used to fill other areas of the site.

Highway Enterprises says that the main objective of the application is to prepare the site for future development. There is no mention of canal construction within the initial earthworks application.

If approved, the works could see up to 200 truckloads of fill enter the site per day, from 7am-6pm Mondays through Saturdays, over a period of no more than 3 years.

Ninety per cent of the site lies within the existing Wairoa River floodplain. A flood modelling report by Tonkin & Taylor

Guest editorial by the Clevedon Community & Business Association

Supporting local events that bring our community together and help showcase Clevedon as a destination is an important part of the work we do at the Clevedon Community and Business Association. January and February have seen a continuation of our schedule of great family-friendly summer events in Clevedon and the Wairoa Valley. The warmer months have been the perfect time for locals and visitors alike to enjoy our famous weekend markets, the Twilight Markets (on Friday nights until the end of March) and a range of polo events – including the NZ Polo Open. The good news is, we still have a few weeks left of summer - and more great events to look forward to.

The next big event on our calendar is the Clevedon Art Trail - visitors to Clevedon village will have seen our new flags flying along the main street to promote the event. The 9th annual Clevedon Art Trail Open Studio Event takes place on Saturday 15 and Sunday 16 March 2025. Starting with Friday night's Exhibition Opening Night event (14 March), the Clevedon Art Trail celebrates and showcases Clevedon's

wealth of local artistic talent at Open Studios and Galleries. Activities include four free workshops (painting, drawing and printmaking), demonstrations, and artist talks at 14 interesting locations across Clevedon. The renowned Riverhaven Artland Sculpture Park will also be open (entry fee applies), with free exhibitions at Hallertau, Vin Alto, The Wild Fermentary, Farmhouse Café, Art Industry Gallery, and Clevedon Creatives. Full programme details can be found at www.clevedonarttrail.co.nz, and the event's Facebook page (https://www.facebook.com/clevedonarttrail) and Instagram page. We encourage you to take a look at the programme and plan a visit to one (or all!) of the galleries and studios on the trail. While you're in the area why not stop by one of our great local cafés and browse some of our main street boutique stores.

With so much on offer in Clevedon, it's great to have our 2025/2026 edition of the Love Clevedon Guide and Directory ready for distribution to ~2000 Clevedon residents. The guide and directory showcases the wonderful events, businesses, attractions, clubs and community groups on offer in our

area. We have a few spare copies so if you'd like to have one on display in your business please email loveclevedon@clevedon.co.nz

As we wrap up the last of our summer events and with the year well-underway, the Clevedon CBA is focused on delivering a number of important projects for our community and local businesses. These projects include village design advocacy, continuation of our work to promote Clevedon as a destination, development and promotion of the Hūnua Traverse and Clevedon Trails, preserving our main street charm, Clevedon Planting Palette and Heritage Park Plan, and Clevedon CBA member events.

We look forward to keeping you updated on these projects as the year progresses. If you have any questions about the work we do, or you're interested in becoming a Clevedon CBA member – please drop us a line at loveclevedon@clevedon.co.nz

Gloriavale life revealed in new book by Ōrere resident

Ōrere Point resident Theophila (Theo) Pratt has documented her 18-year Gloriavale experience in a soon-to-be-released book, *“Unveiled: A story of surviving Gloriavale”*.

Locals will have an opportunity to meet Theo and purchase her book at a book launch event to be held at Hallertau Clevedon on Friday 7 March at 6.30pm.

Unveiled is a hard-hitting account of Theo’s life as a member of the Gloriavale Christian cult community, whose leadership has been convicted of sexual abuse and exploitation.

When she spoke to the Pōhutukawa Coast Times last year, Theo had recently featured in the three-part TVNZ documentary series *Escaping Utopia*, where she spoke of her life within the Greymouth cult. At the age of 18, Honey Faithful (as Theo was known then) rebelled against the community’s ideology and left the cult. Dropped at a bus stop, she was left to fend for herself in the outside world.

As well as having to learn things most of us take for granted - including learning the days of the week, and the meaning of leisure time - Theo also had to come to terms with trauma caused by the abuse inflicted on herself and others at Gloriavale.

Unveiled reveals how Theo’s determination to make the most of her new life has seen her achieve a bachelor’s

Theo Pratt has documented her Gloriavale life in a memoir, *Unveiled*, and invites locals to attend her book launch at Hallertau on 7 March.

degree in occupational therapy, and purchase her own home at Ōrere Point. She now works for Kidz First Hospital, helping children with additional needs.

Theo says that by telling her story, she hopes to unveil the secrets of the Gloriavale community, empowering other survivors to break free from the cycle of abuse.

At the *Unveiled* book launch on 7 March,

Theo will give exclusive insights into her life in Gloriavale, followed by a Q&A session and book signing.

Tickets \$35, available at <https://www.theopratt.com/events/book-launch-and-speaking-event>

Ticket price includes a complimentary drink and nibbles.

Canal development resurfaces

CONTINUED FROM PAGE 1

concludes that the proposed works will not create additional flooding affecting adjacent properties.

Highway Enterprises Ltd has asked that the application not be publicly notified, saying that any adverse effects related to the construction activities will be less than minor.

The matter now rests with Auckland Council which has put the application on hold while it seeks further information from the applicant.

New faces join Beachlands team of JPs

Arts hub programmes a hit with locals

From left to right; Howard Mair JP, Brian Stocking JP, Michael Sommerville JP Eleanor Reay and Colin Small JP. Absent are Malcolm Bell JP and Peter Jollands JP.

The Justices of the Peace Service Desk at the Beachlands Library is up and running again after the holiday break, with four new JPs now ready to serve the community. Colin Small JP and Brian Stocking JP have moved to Beachlands from Howick. Eleanor Reay JP (Beachlands) was sworn in last year and Howard Mair JP (Maraetai) is the

latest being sworn in on 17 February.

Existing JPs Michael Sommerville JP, Peter Jollands JP and Malcolm Bell JP continue with their service.

A JP will be on duty every Wednesday from 5pm to 6:30pm.

JPs can take oaths, statutory declarations and affidavits as part of their statutory authority, and can also certify copies of

documents. A lot of information about what a JP can do for you, plus locations of other Service Desks around Auckland, can be found at jpauckland.org.nz.

If you wish to know more about the role of a JP or are thinking of becoming a JP, more details can be found on jpauckland.org.nz/becoming-a-jp/

The Pōhutukawa Coast Arts Hub might not have an official venue yet, but its programmes have already proved popular. All workshops run prior to Christmas sold out.

Arts Hub spokesperson Samantha Sutherland says the sold-out workshops show there is a high demand for local community classes in all sort of areas.

The Arts Hub has loaded more classes for Term one onto its website - offerings include creative writing, resin art and flax flower weaving. More classes are in the wings, such as art therapy, drawing and garden art.

The Arts Hub began the process of creating a charitable trust late last year, and has a “solid small committee”, says Samantha.

“We are still looking for more helpers either as trustees or any other locals who would like to help us finding more venues, organising events, grants applications etc.”

Finding venues is proving challenging, with most local spaces already fully booked by users. Samantha is keen to hear from anyone who might have a ‘classroom’ space available that the Arts Hub can use as a base. Email pcartshub@gmail.com.

For information about classes, visit www.pcartshub.com.

WHY WAIT?

More than just mowers: Lawn, Heat & Leisure offers full-service garden and lifestyle solutions

- by Lawn, Heat & Leisure

Lawn, Heat & Leisure has two stores, our original store in Pakuranga and our additional shop in the Whitford village. We are proud to be East Auckland's ONLY Crown Husqvarna dealer, with over 30 years of experience with lawn and garden equipment. We sell and service ride-on mowers, lawnmowers, chainsaws and weed trimmers.

On display in both stores are a good range of the Husqvarna battery products.

We have two workshops with four mechanics to help with all your garden equipment maintenance, repairs and servicing plus sharpening of hedge cutters and any garden tools.

We also have in stock the CF Moto range of UTVs, side-by-sides and quad bikes which are exceptional quality at very affordable prices. We can also service concrete saws, plate compactors, water blasters, rotary hoes, woodsplitters, quad bikes, small tractors and ATVs – just give us a call if you have questions. On Tuesdays and Thursdays our truck is on the road to collect and drop off ride-ons for servicing.

Our Whitford shop also has a tyre machine so we can assist with ride-on tyres, trailer tyres, tractors and cars.

Our Pakuranga site has specialised in home heating for a long time. Masport

and Woodsman woodfires are on display and we can also source Kent woodfires. We are a one stop shop and offer the whole package including installation and building consents.

One of our points of difference is when a customer looks to purchase a new ride-on or automower – we call to site and offer our recommendations and follow up with a written quote. Further

to that, at delivery we will run over care and maintenance to ensure the life span of your new machine.

We also have on site finance available with UDC and Q Card.

New touch-free carwash technology comes to Botany

- by #1 Supreme Carwash

We are proud to yet again offer our customers the very latest in automated vehicle wash innovation.

Seven years ago we installed New Zealand's most advanced brush car wash machine - the Supremo Autowashe. To follow up with this highly successful innovation we are now offering the very latest touch free car wash system fresh out of the USA.

The Razor Double Barrel is a game changer in touch free vehicle washing, and is the first of its type in this country.

So, what is new with the Razor Double Barrel? For a start this machine is on steroids compared with its predecessors with a wash time of 7 minutes for our top wash. The blue wash arch that tracks around your vehicle is guided by sensitive laser beams following the exact shape of your car offering more precise coverage with its two-step hot chemical application. The combination of chemistry and hot water far out-performs conventional high pressure car wash machines.

When it comes to the washing cycle, within the arch is a dedicated manifold that delivers water blasting at 1200 psi via 10 turbo nozzles and 5

overhead chisel nozzles. This is how the machine gets its name "Double Barrel".

After these cycles tri colour foam is added and then drying agent and a ceramic sealant agent are applied then followed by a spot free rinse. The final process is a double pass drying cycle via three mega powerful blowers.

1 Supreme Carwash offer the very best combination in automated car washing on Botany Downs main drag, Ti Rakau Drive. You don't have to go out of your way to experience this, just look for the roadside signs and take a left hand turn onto Amera Place.

In addition to our automated vehicle wash offers, we still offer our immaculate seven self-service bays and seven self-service vacuum stations offering mega powerful suction.

Over the last 24 years we have earned the honour of being one of Botany's "stood the test of time" convenience business.

If you are not one of the hundreds of regular callers at #1 Supreme Carwash, discover car washing made easy by calling in.

Head into #1 SUPREME CARWASH

Latest touch-free wash technology from the USA

- ✓ Advanced two step chemistry

Touch registration frenzy as rugby players swap codes for summer

When Beachlands Maraetai Rugby Club decided to enter some teams into the local Pōhutukawa Coast Touch competition last year, they thought they would see about 80 people put up their hands. What they didn't expect was 375 registrations to play for the Mako!

The club had hoped that by putting together a few touch rugby teams, it would allow departing rugby players to keep in touch with the club after their college years, and that it might also tempt some

touch players to carry on and play rugby throughout the year.

BMRC president James Gemmell was delighted with the level of enthusiasm shown by people keen to play touch wearing the rugby club's Mako branding.

The club is sponsored by local water delivery company Pro Water, who James says "make it all happen for us." Sheridan Brunton, who co-owns Pro Water with husband Shane, is the only female water tanker driver in the area.

Pro Water owners Sheridan and Shane Brunton made sure touch players were kept hydrated by parking their water tanker at Te Puru one Wednesday night before Christmas, filling up player's water bottles for free.

CATCH OF THE WEEK PHOTO COMPETITION

Send us your fishing photos this summer and be in to win a \$50 Top Catch voucher from GAS Maraetai each week!
The overall season winner will win a brand new rod and reel sponsored by GAS Maraetai.

Emma Hammond was fishing on their family boat *Robot* recently when she landed this 53cm snapper in between Waiheke and Maraetai. It was by far the best fish caught all morning and made for a tasty lunch when the family got home.

TO ENTER, EMAIL YOUR PHOTO TO LIZ@GASMARAETAI.CO.NZ
include your full name, plus details about your catch (where the fish was caught, boat name, special gear used, what you did with the fish after it was caught etc).

Community Garden hosts seed saving workshop

The Coastal Community Garden will host a seed saving workshop on Monday 24 February from 7-7.45pm.

Members of the garden club will be there to share the benefits of saving seed and will demonstrate ways to do this, as well as providing expertise on what herb, vegetable, flower or fruit seeds are easy to collect and save. The evening will include a seed swap so those experienced in seed saving can bring along their seeds

from this summer to swap and share.

Community Garden spokesperson Karen Titulaer says the seed swap is a great way to get more unusual plants such as perilla, mitsuba or sweet violet.

“It’s also a great way to get seeds of edible plants that have thrived in the local environment,” says Karen.

The event is free, and everyone is welcome.
