A New Era, Rooted at Home

Introducing Vanessa Robson – and the local team taking Barfoot & Thompson property management into its next chapter.

Property management on the Pohutukawa Coast is entering a new chapter. Debbie Mustill and Vanessa Robson bring nearly 50 years of hands-on experience between them, and both call this coastline home – backed by Ally Tan's three-plus years of steady, dependable service to the team. It's the kind of team you build when consistency is the point: local people, staying local, and quietly raising the bar on what our landlords and tenants can expect.

MEET THE NEWEST LOCAL FACE

Vanessa Robson

Vanessa Robson has lived in the area since 2014. "Community, family, and friends" is what it means to her personally. She opened and ran her own Property Management company in 2012 for about 11 years, and is now returning to work closer to home and back in the community.

"Communication and honesty." – Vanessa's philosophy for balancing a landlord's investment with keeping good tenants happy.

She's also watched the local rental market shift over her career – from the introduction of Healthy Homes standards to updated tenancy laws, both of which have lifted the baseline quality of rental housing. It's a shift she sees as good news for landlords and tenants alike.

Vanessa's looking forward getting stuck into her new role alongside Debbie and Ally and the wider Beachlands team – all while staying close to a part of the coast she already knows well.

HEAD OF PROPERTY MANAGEMENT

Debbie Mustill

Debbie is at the helm of the team as Head of Property Management – backed by a career spanning residential property, business management, procurement and asset management. A familiar face for the Beachlands community she's called home for 25 years.

"This stretch of coastline is truly special. It's not just where I work – it's where I live, shop, explore and have watched my son grow up."

Ally Tan – the constant

For more than three years, Ally has been a steady hand behind our property management team through every change – the constant that landlords and tenants alike have come to rely on. Her dedication hasn't gone unnoticed, and we want to say a genuine thank you.

You may have noticed a new face join our team more than once this year. Our previous Head of Property Management moved on for the best of reasons – an opportunity to lead a team closer to home. We were sorry to see her go, and genuinely glad for her. It's the same local, relationship-first thinking we bring to every home we manage – for our clients, and for our people.

Cook Motor Racing takes final crack at speed record

Clevedon-built Wairua 2 is currently in a shipping container on its way to Bolivia, where hopes are high it will set a new world land speed record.

Clevedon speed legend plots return to Bolivia for elusive 800kmh record

New Zealand motorsport veteran and Clevedon resident Reg Cook is preparing for another crack at a world land speed record, with his team confirming plans to head back to Bolivia's Uyuni Salt Flats in 2026 to chase 800kmh in his purpose-built streamliner, designed and built in his Clevedon shed.

The 79-year-old, who calls himself "the Geriatric," already holds five world land speed records from Bonneville, Utah, and added three more during a logistics-challenged Bolivia campaign in 2025.

When the team returned from Bolivia last year, emotional, physical and financial tanks had all but run dry. Most people would have called it quits there. But Reg and his volunteer-run outfit, Cook Motor Racing (CMR), are back in full preparation to return to Uyuni one more time in 2026 to achieve what they could not last time - a world land speed record in Wairua 2.

Wairua 2 is a 1.7 tonne streamliner powered by an 8-litre twin-turbo Big Block Chev V8, purpose-built by Reg and his team for this exact challenge. The vehicle showed great promise during its trial runs in Bolivia during 2025, hitting 496kmh on just 40 per cent throttle. After all the blood, sweat and tears, Reg couldn't leave it at "what might have been".

Wairua 2's predecessor, Wairua 1, reached a top speed of 538kmh in Bonneville in 2018. Bonneville's salt flats aren't

Motorsport legend Reg Cook has not given up his dream of driving at 800kmh.

long enough for a car built to travel at the speeds anticipated in Wairua 2, which is why the team has to return to Bolivia's salt flats in Uyuni instead.

Money remains the campaign's biggest obstacle. The entirely volunteer team (about 60 people) is self-funded, and Reg has made major personal sacrifices, including selling his house, to keep the project alive.

The team will begin arriving in Bolivia during September, with the official world record attempts taking place during October. Volunteers are still sought to help with the mission - see Cook Motor Racing's Facebook page 'CMR Bolivia' for details.

by Pōhutukawa Coast Arts Hub

Building a creative future for the Pōhutukawa Coast

Nearly two years ago, a small group of local residents recognised something was missing on the Pohutukawa Coast. While our communities are rich in creativity and talent, there were limited opportunities for locals to participate in arts activities close to home. Too often, people had to travel elsewhere to access creative programmes.

The Pōhutukawa Coast Arts Hub was formed to help change that.

Since 2024, the Arts Hub has worked to create opportunities for people of all ages to engage with the arts and develop new skills. What began as an idea shared by a handful of volunteers has grown into a community organisation supporting artists, families, young people and creative learners of all ages.

Over the past two years we have delivered a wide range of free and affordable activities designed to make the arts accessible to everyone.

A particular highlight has been our Matariki Community Festival, delivered in partnership with Te Puru Community Centre, with creative activities, family games, performances and local artists.

Alongside the festival, we hosted the Matariki Youth Art Competition, generously sponsored by Pohutukawa Coast Rotary. The competition showcased the creativity of local young people and attracted strong community support.

We have also delivered free Mother’s Day workshops, community arts workshops, free school holiday art programmes funded by the Franklin Local Board, and our regular free Thursday Art Group, which provides a welcoming space for people to create, learn and connect.

Supporting local artists remains at the heart of what we do. Through our website, social media channels and community networks, we promote local artists, tutors, workshops and creative businesses. We have organised artist meet-ups and supported participation in the Franklin Arts Trail, helping emerging artists connect with audiences.

One of our ongoing challenges has been finding suitable and affordable local venues for classes and workshops, particularly in the evenings. This has limited our ability to offer the range of activities our community would like to see. We are hopeful that this situation is beginning to improve, and we are keen

to hear from local tutors and artists interested in sharing their skills with the community.

While we are proud of what has been achieved, we see this as only the beginning. The demand for creative opportunities on the Pōhutukawa Coast continues to grow, and so does the need for people willing to help build and sustain them.

As a volunteer-led charitable trust, we are currently seeking new trustees and committee members to help guide the organisation into its next stage of development. We would particularly welcome people with skills or experience in governance, grant applications, event planning, marketing, social media, fundraising or administration. You do not need to be an artist to contribute. If you care about community, creativity and helping local initiatives thrive, we would love to hear from you.

The Pōhutukawa Coast Arts Hub exists because local people saw a need and decided to do something about it. Everything we have achieved has been made possible through volunteers, supporters, sponsors, artists and participants who believe that arts and creativity play an important role in building connected, vibrant communities.

To find out more, become involved, or express interest as a trustee, volunteer or tutor, visit www.pcartshub.com or email pcartshub@gmail.com.

Clevedon Volunteer Fire Brigade celebrates 50 years of service

The Clevedon Volunteer Fire Brigade celebrated its 50-year anniversary on 9 May 2026, with a gathering at the Clevedon Community Hall and an award presentation to two of the Brigade’s longest-serving volunteers.

Bob O’Flaherty, the Brigade’s Chief Fire Officer and a former Station Officer and professional firefighter, was presented with a 50 Year Service Medal. Bob was also presented with a 49-year Long Service Good Conduct award on the same night.

A 25 Year Gold Star was awarded to Firefighter James Brookman in recognition of his long-standing dedication to the Brigade and his unwavering commitment to the annual Firefighter Sky Tower Challenge, raising funds and awareness in support of Blood Cancer New Zealand.

The 50 Year Service Medal and 25 Year Gold Star are among the highest honours awarded across professional and volunteer fire brigades.

Clevedon Volunteer Fire Brigade spokesperson Tristan Ilich says the Brigade is “immensely proud” of Bob and James for their commitment and service to the community.

The Brigade has been part of Clevedon since late 1975. Current and former members attended the anniversary celebration alongside their families, sponsors, and dignitaries from Fire

and Emergency New Zealand (FENZ) including Ron Devlan (Region Manager – Te Hiku) and Geoff Purcell (District Manager – Counties Manukau), and the United Fire Brigades’ Association (UFBA) including Dale Lindsay (Vice President) and Ricky Hodge (Auckland Provisional Fire Brigades Association).

Other awards presented during the evening included:

- 2026 Attendance Award - Craig Jones
- 2026 Most Improved Firefighter - Zane Hamilton
- 2026 Firefighter of the Year - Charlotte Maumea

Annual service medals were also presented to Natalie Black (3yrs); Craig Jones (7yrs); Sebastian Jones (7yrs); Bruce Campbell (11yrs); Gail Powell (19yrs); Bruce Jones (43yrs); Michelle De Graaf (14yrs Long Service Good Conduct); Leighton Balemi (21yrs Long Service Good Conduct).

The evening featured a formal dinner, an awards ceremony, and live music, providing past and current members with an opportunity to reconnect and reflect.

Tristan says the Brigade would like to extend its heartfelt thanks to Auckland Polo, The Clevedon Association, and The Clevedon Farmers Market, for their continued support of both the Brigade and the 50th anniversary celebrations.

Beachlands students delight in opening of new playground

Beachlands School’s junior students have a new play space, thanks to money raised by the PTA from school discos, a Twilight Gala, school treat days, and sushi sales.

The school’s new junior playground was officially opened last week.

Principal Lisa Bethune told the students: “The space is more than just equipment. It’s a place where you can make some new friends. You can sit around the edges and have a wee rest. You can get some beautiful oxygen in. You can play and let your imaginations go wild, and you can make lots and lots of memories from today onwards.”

Students worked with teacher Bronwyn Harrison on the playground design, meeting several times to discuss what they wanted included and giving feedback on several alternative designs.

“One of the students actually came up to me at the official opening and said - “that is exactly what I asked for”,” says Lisa. “Children have been so excited, they have even written stories in class.”

The new area was designed and built by Playground Creations.

A number of staff devoted extra time to ensuring the project got over the line, says Lisa, including Executive Officer Shannon Bremner, Bronwyn Harrison, and school caretaker Trevor Laws, and with support from the Beachlands School Board of Trustees.

Clockwise from above: Beachlands School Principal Lisa Bethune (left) and teacher Bronwyn Harrison test out the new slides; L-R - Jess Sweden (PTA) Sophie Barclay (PTA) and Dianna Staples (Presiding Member - Board) cut the ribbon to open the new junior playground; Beachland School’s Year 3 cohort enjoy their first playtime on the new equipment; Lucy and Max enjoy the new slides.

Rotary ALLFIT Coastal Run returns

You too could run dressed as a banana at this year’s Rotary ALLFIT Coastal Run.

Runners and walkers will take on one of Auckland’s most scenic courses on Sunday 18 October when the Rotary ALLFIT Coastal Run returns to the Pohutukawa Coast for its eighth year. This time fancy dress is firmly on the agenda, with prizes up for grabs for the best costumes.

The event offers two main distances, a 10km and a 5km, looping from Te Puru Park in Beachlands, along the coast and through a lovely trail section.

There is a Kid’s Dash of about 1km around Te Puru Park, and every Adult ticket gets a complimentary entry for their child.

Bookings are now open: the XTRA EARLY BIRD promotion offers

discounted entry until 14 August.

Families can save further with a 20% FAMILY DISCOUNT, available for groups of at least one adult and two children aged 14 and under, across any event.

Since the event started in 2018, ALLFIT Gym in Beachlands has been the naming sponsor and is again providing several prizes. The Rotary Club thanks them for their longstanding support.

The Run is a charity event organised by the Rotary Club of Pohutukawa Coast Inc., with all proceeds going back into the community.

LOCAL STUDENTS' NEWS, VIEWS & LITERARY TALENT

This column features news, views and literary talents of students from Beachlands, Maraetai, Clevedon, Brookby, Hunua, Paparimu, Oreo and Ardmore Schools.

The Pōhutukawa Coast

A coast is where the sea meets the land. The Beachlands coast is very beautiful and very long and windy. There are lots of pretty pōhutukawa trees.

Beachlands beaches can be sandy or rocky. Shelly Bay and Sunkist Bay are fun beaches to explore on the beautiful Pōhutukawa Coast. Sunkist Bay has a wharf and a boat ramp so you can go fishing on the wharf or you can launch your boat and go fishing on it. You can go swimming, jetski, picnic or go on your sea biscuit.

At Pine Harbour you can catch the ferry to the city. You can moor your boat and if you have a boat you can go on it and go fishing! It is a fun place to explore the beautiful rock pools at Motukaraka Island when the tide is out. You can go for a nice quiet bush walk. Make sure you stay behind the fence because the New Zealand dotterel builds its nest in the sand along our coast.

The Pōhutukawa Coast is our precious home to people and wildlife. There is a lot of stuff to enjoy and you must respect and take care of our Pōhutukawa Coast!

FOOD AND ENTERTAINMENT

Chicken, haloumi and chia meatballs

Ingredients (makes 16-18 meatballs):

- 500 grams chicken mince
- 120 grams haloumi, grated
- 2 tablespoons chia seeds
- 4 tablespoons water
- 1/2 cup parsley, finely chopped
- 2 garlic cloves, minced
- 1 large egg
- 1/3 cup breadcrumbs
- 1 lemon, zested
- Pinch of salt and pepper
- 2 tablespoons olive oil, for frying

Method:

1. Make the chia binder: In a small bowl, stir together 2 tablespoons chia seeds and 4 tablespoons water. Set aside for 10 minutes to form a gel - this helps bind the meatballs and adds a subtle nutty texture.
2. Combine the mixture: In a large bowl, combine chicken mince, grated haloumi, parsley, garlic, egg, breadcrumbs, lemon zest, salt and pepper. Add the chia gel once it's ready and mix well with your hands until evenly combined. Avoid overmixing, as this can make the meatballs dense.
3. Roll the mixture into golf ball-sized meatballs, placing them on a baking tray as you go.
4. Chill (optional but recommended): For firmer meatballs that hold their shape better while cooking, chill the tray in the fridge for 20 minutes
5. Fry the meatballs: Heat 2 tablespoons olive oil, for frying in a large non-stick frying pan over medium heat. Add the meatballs in batches, without overcrowding the pan, and cook for 10 minutes. Alternatively cook them in an air fryer at 180 degrees for about 12 minutes.
6. Cook until golden brown on all sides and cooked through.
7. Remove the meatballs from the pan and let them rest for 3 minutes before serving. Serve warm with extra lemon wedges, a dollop of yoghurt, or tossed through a salad or pasta.

Tip: For a gluten free version, double the chia seed binder and use it instead of the egg and breadcrumbs.

An algorithm can pull a number from a database.

It can't stand in your living room, feel the afternoon sun on the deck, notice the new Spanish tiles in the kitchen, or see what a new roof does for the place.

We can. At Barfoot & Thompson, we've been walking through Auckland homes for over 100 years and today, 4 in 10 homes are sold in this city through us*. That's the kind of experience that website estimates just can't match.

We'll look for the things these sites can't see: the renovation, the light, the layout, the little things that add real value. Then we'll use our local knowledge and what's selling in your area right now to give you an expert appraisal.

So, if you're thinking of selling, get a **free** appraisal from the team that knows our local area the best.
